Purpose: Community Meeting

Topic	Agenda/Notes	Action
	1. Presentation by MSAD 75 and PDT Architects	
	2. Community Comments and Questions: <ul style="list-style-type: none"> • If it sounds too good to be true, question the design team (based on design of original HS) • Will the project be LEED certified? <ul style="list-style-type: none"> - Sustainability subcommittee will help make this decision • Does MSAD 75 own enough land to build a new school elsewhere on the site? If so, how much land would be cleared? <ul style="list-style-type: none"> - Yes. PDT has determined new or reno would fit. Cleared land is different per test fit. • Concern that pushing students into the middle school will negatively affect too many students' education. • Confidence in the staff to do a great job with students no matter where they have to teach them. • Strong connection to and desire to stay on the site. • Building longevity? <ul style="list-style-type: none"> - 40-50 years • Long term maintenance costs to the taxpayers • Don't want to sacrifice today's kids and their education for tomorrow's kids. • Concerns about splitting kids up and displacing students disrupts culture and social aspect. • How much will taxes go up? • Will remember low quality longer than low cost • Need to make sure we build for the future of education • CTE/Region 10 <ul style="list-style-type: none"> -What is the % of stents from MSAD 75 that go to R10? <ul style="list-style-type: none"> -100 Students' -Is there a way to have a plan B if a comprehensive HS is not an option or is \$12 m upgrade cannot happen? <ul style="list-style-type: none"> -Can survive on existing campus. Could possibly move to base. Picking up students from more than just MSAD 75, RSU 5, and Brunswick. - Board is looking at all possibilities
