

**Communication Committee  
Meeting Minutes  
April 15, 2021**

Present: Holly Kopp, Chair, Bob Lucy, Ryan Palmer, Donna Brunette

The committee revisited the topic of hosting an opening ceremony for the new high school. Donna suggested the ceremony be held at the beginning of the school year when the competition field will also be completed. In the meantime, Ryan will continue to post monthly drone footage of the progress of the competition field. The goal will be to begin planning for a ceremony in June when Donna and the new incoming high school principal can collaborate on event planning. Donna also noted the need to plan for placing the time capsule in the new school.

The committee discussed recent concerns about the baseball field. Mr. Lucy is working with his administrative team to resolve the issue and will continue to communicate to the community regarding the status of the field.

Donna noted that there is a plan to install a flashing light on route 201 to decrease speed during school transition times. Donna will continue to update the community regarding progress on this item.

Finally, Ryan reminded the committee of Bethany Pratt's video of the old high school. When she is ready for the video to be posted publicly, we would like make it available on the website.
