

Communication Sub Committee
Meeting Minutes
September 7, 2018

Present: Holly J. P. Kopp, Donna Brunette, Ryan Palmer, Dan Chuhta

Construction Update: Dan updated the Committee regarding construction. The new Eagles Way is open, the building is beginning to take shape and all wells have been drilled. Safety on the road is essential without sidewalks and lights. The construction site has a secure perimeter and is locked. There is also a specific construction entrance now located off Eagles Way. The baseball field continues to need work with resurfacing.

Future website posts will include one from Donna Brunette about general construction impacts on the campus and Dan Chuhta has drafted an update about project oversight. Ryan Palmer will provide another post of drone footage in the near future. Drone footage will be coordinated with the construction company.

Donna noted the financial status of the project as a potential post. Dan will ask Mark to provide a write up about the project's financial status.

The Committee also reviewed the current construction website and discussed updates.

Digital signage: No update.

Landscape Committee: No update.

Percent Art Committee: No update.

Next Meeting: October 12, 2018 at 1 pm, DO
