Meeting Minutes

Ryan Palmer, Emily Robbins, Krista Chase (lots of illness and drivers ed today!)

Ryan gave us an update on the learning commons subcommittee: they are actively compiling ideas for design. Have visited South Portland learning commons. Their buzz word is flexibility as they consider technology. Want a robust, wireless system. Looking at areas for small groups, individuals and classes.

Plan: we will invite Mr. Palmer to return once we have a full group meeting again.

Next Meeting Date: March 16 2016 (Wednesday). 2:30-3:15
